

Academic study and research are at the heart of the graduate experience at Stanford. Many resources are available to help graduate students thrive academically and take charge of their educations.

VPGE staff at NGSO

Students are encouraged to take charge of their education, starting at New Graduate Student Orientation.

ADVISING RESOURCES

people talking

The VPGE office offers workshops and resources to help students and faculty develop productive advising and mentoring relationships.

LEARN ABOUT ADVISING & MENTORING

GAP HANDBOOK

Have questions about specific academic policies? The Graduate Academic Policies and Procedures (GAP) handbook covers University policies that apply specifically to graduate students.
